GRAVESEND. MILTON CHURCH.

LL6423

TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

Milton Church, in the borough of Gravesend, is a flint and stone edifice, dating from the thirteenth century. The original building was in the Decorated and Perpendicular styles, but modern restorations have obliterated all ancient features. The Church formerly stood in an isolated position on marshy ground, but is now surrounded by numerous residences.
